## Guest Speakers

**Peter Gordon**

President

Western Bulldogs Football Club

*"It's hard to think of anything more important than fighting and stopping violence against women. Reducing and preventing violence against women essentially involves changing culture and attitudes. It's a question of leadership"*

**Jerril Rechter**

Chief Executive Officer

VicHealth

*"Increasing gender equality and female participation in sport benefits us all, from the girls who get to continue playing sport all the way to elite levels just like their brothers, to the local clubs whose community is enriched by having more women and girls involved"*
