

Is your community accessible and inclusive?

This survey has been written by The Central Highlands Inclusion Working Group. We want to find out what people think about access and inclusion in our community. Your answers will help us plan for a more inclusive and accessible community.

Is your community accessible?

For example:

- It is easy for everyone to get in and out of buildings
- Footpaths and roads are safe
- Signs are easy to read

Is your community inclusive?

For example, does everyone feel that they belong and are important?

We want to know what you think about community supports.

Community supports are places like swimming pools, sporting clubs, neighbourhood house, men's sheds, restaurants and libraries.
